WHY SHOULD YOU “BUY A CALF” AND “SHOW A CALF”

As a special bonus, the calf you buy on October 15, 1977, will be eligible for you to show in the 15th annual “Buy A Calf — Show A Calf” show in Hilliard on Saturday, June 17, 1978. This show is scheduled ahead of the county and state fairs, to give you and your heifer or steer a professional advance workout under a prominent judge. The rich awards include ribbons, rosettes and trophies, plus generous cash prizes running up to \$150 on the champion steer and heifer. A showmanship contest, with trophies, is also included.

Junior Membership in American Shorthorn Association will be given free to each heifer buyer on October 15.

Buy your calf October 15, 1977. Show your calf June 17, 1978.

BREEDING SERVICE WILL BE AVAILABLE FOR HEIFER BUYERS

Heifer Buyers in this sale will have the privilege of selecting a free breeding service from a bull owned by the seller of the heifer. The only charge will be for the inseminator if the service is artificial.
